Advertisement for the Post of
Junior Research Fellow (JRF) (On Contract)

Applications are invited for the post of Junior Research Fellow (JRF) (on contract) in the research project entitled "*Mission Planning using Sampling Based Techniques*" in reference to the sanction letter vide diary no. SERB/F/3286/2016-17 dated 23 August, 2016 for Project File No. ECR/2015/000406 by the Department of Science & Technology, New Delhi. The duly completed application on prescribed format along with copies of supporting documents must reach to Dr. Rahul Kala (PI of the project) **via email at rkala@iiita.ac.in**. No physical application needs to be made if sent digitally by email. Alternatively, you may also send the application via a hard copy (if email submission is not preferable) to Dr. Rahul Kala, Department of Information Technology, Room No. 2203, Computer Centre – 1, Indian Institute of Information Technology Allahabad, Devghat, Jhalwa, Allahabad, Uttar Pradesh 211012. **The deadline for applying is 7/10/2016.** The subject of email/envelope (if sending by post) should be "Application for the post of Junior Research Fellow (JRF) (on contract) in the Research Project *Mission Planning using Sampling Based Techniques*".

The position is purely temporary and will be governed by the funding agency rules & service conditions of Research & Development Cell, IIIT Allahabad. Any queries must be addressed by email to rkala@iiita.ac.in.

Name of Position : Junior Research Fellow (JRF)
Number of Position : 01 (one)
Project Duration : Appointment will be made on contract basis for a period of one year, extendable upto 3 years based on performance or the duration of the project (whichever is earlier).
Essential Qualifications: M.E./M.Tech. in Computer Science, Information Technology, Electronics Engineering, Electronics and Communication Engineering.
Desirable Qualifications: (i) A high GATE/NET/JEST or similar other national level ranking.
(ii) Candidates with knowledge of any or all of Artificial Intelligence, Algorithms, Control, Robotics, Logic, Computer Vision, Linux and candidates with good programming skills will be given preference, although candidates without this skill set and desirous of learning are encouraged to apply. You are requested to highlight this in the application form with relevant evidence like courses taken, projects, research experience, etc.

Fellowship: 25,000/- pm (Fixed)

Note:
1. The applicant will be responsible for the authenticity of information, other documents and photographs submitted.
2. The Institute reserves the right to accept application at any time, and consider candidates of exceptional credentials without applications. Qualification and experience may be relaxed by the Institute at any point of time for otherwise exceptional candidates.

3. Mere possessing the prescribed qualification does not ensure that the candidate would be called for interview. The candidates will be shortlisted on the basis of merit and need of the project.
4. Shortlisted candidates will be informed by e-mail about the interview date. So, the candidate must provide valid E-mail IDs in their applications.
5. Shortlisted candidates have to present themselves for the interview on the interview date with updated CV and original and attested photocopies of mark sheets/certificates in support of their academic qualifications.
6. Applicants in employment (private, government or any other organization) are required to submit a "No Objection Certificate" from the employer at the time of interview.
7. **No TA/DA will be paid for appearing in the interview.**

Age Limit: 28 years as on the last date of application (The upper age limit is relaxable upto 5 years in the case of candidates belonging to SC/ST/OBC/PH and women candidates).
