**Essential Qualifications:** The candidate should have M.Sc./M.Tech. degree in Physics/Biophysics/Bioinstrumentation/Biomedical Engineering/Biotechnology/Electrical Engineering/Instrumentation Engineering with 60% of marks (CGPA of 6.5 in 10 point scale). BTech degree holders of those area with minimum 8.5 CGPA can also apply.

**Desirable Qualifications:** Candidates holding GATE/NET/other national level ranking will be given preference.

### **Note(s)**

1. The selected candidate should visit different research centres in India as and when required.
2. The applicant will be responsible for the authenticity of information, other documents and photographs submitted.
3. The Institute reserves the right to accept application at any time, and consider candidates of exceptional credentials without applications. Qualification and experience may be relaxed at any point of time for exceptional candidates.
4. Mere, possessing the prescribed qualification does not ensure that the candidate would be called for Interview. The Candidates will be shortlisted on the basis of merit and need of the project.
5. **Shortlisted Candidates will be informed by e-mail about the interview date and mode of interview (either in person/Google Meet/Skype).** So, the candidate must provide valid E-mail IDs in their applications.
6. Shortlisted candidates have to present themselves for the interview on the interview date with updated CV and original and attested photocopies of mark sheets/certificates in support of their academic qualifications.

7. Applicants in employment (private, government or any other organization) are required to submit a "No Objection Certificate" from the employer at the time of interview.
8. TA for appearing in the interview physically may be provided depending upon the availability of the fund to very few candidates.
9. The first and foremost responsibility of the candidate is to fulfil the jobs' requirements to complete the above mentioned project in timely manner.
10. The association between PI and the candidate can be discontinued at any time by giving one month's notice in writing either by the PI of the project to candidate, or by candidate to the PI of the project.
11. Candidate selected for this position can also apply for the regular PhD program in the AS Department, provided they satisfy the eligibility criterion followed by selection process laid down by the institute.
12. **After qualifying the PhD admission/selection test, the candidate may register as regular PhD scholar and eligible to draw the fellowship and other allowances as per the Institute rules.**
13. This appointment will be purely contractual. Initially appointment will be for first one year. It will be renewed for another year or till the end of project whichever is earlier based on the performance of the candidate and recommendation of the selection/review committee.
14. Hostel accommodation may be provided as per Institute rules.
