

Undergraduate Summer Research Internships Program 2016

Indian Institute of Information Technology Allahabad-211012
(A centre of Excellence in IT, Established under the act of the Parliament by the Govt. of India)

Mission:

To encourage undergraduate research, IIIT-A announces a eight week long Summer Research Internship Program (SRIP) within the summer vacation period of the institute. The main aim is to provide an opportunity and exposure to the outstanding senior level undergraduate students (Dual degree, B.Tech-M.Tech, students are also encouraged to apply) to interact with the world class faculty members and state of the art research facilities of the institute.

Number of Seats:

Interested students from NITs, IIITs, IITs and other reputed central/state institutions from all over the country can apply. The offer will be selective. Based on the academic merit and SOP (Statement of Purpose) only 20 students will be offered internship among which 10 interns will be awarded the scholarship of Rs. 10,000/-for the entire duration (8-Weeks) of the internship.

Requirements:

Interns are required to involve themselves in the research and development work carried out by IIIT Allahabad faculty members. The details of the faculty profile and their research domains can be found at <https://www.iiita.ac.in>.

The interns are required to send their **CV, Statement of Purpose (SOP) and the choices of the three IIIT-Afaculty members under whom the applicants wish to pursue their internship. The CV should contain marks obtained from 10th onwards, two references along with their contact details (Email and Telephone Numbers). Please mail all documents to srip@iiita.ac.in on or before the April 15, 2016.**

The selected interns will be required to report the associated faculty members regularly and to do the research/development work as assigned by the respective mentoring faculty at the designated laboratory/place.

At the end of the training the interns will be required to demonstrate and present their research work before the designated committee as will be decided by her/his guide. The interns will also be required to submit a report dully signed by the mentoring faculty member(guide) to the SRIP coordinator.

The internship completion certificate will be issued only after successful completion of the training.

Application Fees:

NIL

Lodging and Boarding:

All the selected interns are required to pay to the institute **Rs. 10,000** against the lodging, boarding and other admissible charges against their stay at IIT Allahabad. The interns will be provided witha suitable hostel accommodation on campus. Those who are selected for the stipend will be given **Rs 10,000/- separately by the institute at the end of the completion of the training.**

Duration:

The internship program is offered for a duration of 8 (eight) weeks between 21st May 2016 to 4th July 2016.

Last Date of Application:

15thApril 2016
