**CIRCULAR**

**Sub: Non-refund of unspent balance against advances in time -- Regarding  
Ref.: Circular regarding Guidelines for Advances for contingent and  
miscellaneous purpose**

Reference is invited to contents of previous CIRCULAR dated 28.06.16 cited under reference (copy enclosed), wherein it was advised to all concerned to scrupulously follow the guidelines regarding advances for contingent and miscellaneous purpose. However, during scrutiny of adjustment claims against sanctioned advances submitted by the employees to the Accounts Section, it has been observed in few cases that unutilized advances were retained by them even though the purpose was over for which advance was drawn, which is objectionable in principle. This has not been appreciated by the Competent Authority of the Institute.

It is impressed upon all to adhere to the guidelines contained in the enclosed CIRCULAR. In case of non-submission of adjustment within stipulated time, the advance or balance is liable to be recovered from the next salary of the employee with 2% of interest over and above the current prevailing rate of GPF.
